

NOTICE

BRUSH PILE BURNING BANS

FOREST LAKES METRO NEEDS YOUR HELP

Please separate your larger brush items (greater than 6" diameter) from the smaller pine needles, limbs, etc. and unload into different piles when dumping. If you remember to do this when you load your items it will be easier to unload. We are asking for your help in order to keep this service available to property owners during burning permit bans. If this arrangement is not adhered to, access to the pile may be restricted during these times.

Please no plastic bags, lumber with nails or stumps.

THANK YOU FOR YOUR HELP

Forest Lakes Metropolitan District
